Dearest Mrs Manley,

Thanks for helping make my trip such a pleasant one, I enjoyed being with you and especially the lovely dinner.

We had a very nice trip home and didn't get here until Christmas eve, and I had to rush trying to get things straightened out, as we had planned on going to Detroit to visit my sister but the weather was too unfavorable, and we decided to rush home to be with my Daddy & Mother for Christmas.

It won't be long now before you will have to start with your base ball obligations, and that is a job, but I do hope you will be able to get down if not before during the season. I would be so happy to have you come down & stay a while. I have a lot of changes I want to make but you have such good taste I think I will wait and get you to help me, I like the changes

so well you made in your house
and especially your kitchen, it is
beautiful. My kitchen is large but I
have so much wasted space, I need
more cabinets, any way I will hold
the job up for you to O.K. smile.

John is fine; and sends regards
to you & Mr Manley. Will be expecting
to hear from you soon. With best
wishes for a very happy New Year.

I am,

Sincerely,
Billie
